## **JCI Senatorship Assistance Program**

At the annual picnic meeting July 24,2021 in Springfield an amendment to the JCI Senatorship Assistance Program policy was made and passed. President Lynn and the

Program Committee would like to share this policy with all members of the Senate so they are aware of the steps taken in the policy for assistance.

1. A committee consisting of five (5) Past Presidents of the Illinois JCI Senate shall be appointed by the Senate President to serve a three (3) year term. The Illinois Senate President shall appoint the needed new committee members annually to be approved by the membership at the annual regular meeting. Beginning with the 2017-2018 administration, the appointment format will be 1-2-2 in three-year intervals.

2. Committee chairperson shall accept applications for Senatorship consideration any time during the current administration with a deadline of March 1, so approval can be made of the Senatorship and it is completed by June 1.

3. Nominations may be submitted by any member of the Illinois JCI Senate who shall present such nomination to the committee. All applicants must meet the USA JCI criteria for membership and applications must be completed and signed by the appropriate individuals. Nominees must have been out of the Jaycees for a minimum of five (5) years for consideration.

4. Should the nominee's chapter still be active within the guidelines of the US Jaycees, they are not eligible for consideration under this program.

5. Recommendations outlining the breakdown for funding shall be by the majority of the committee and will then be forwarded to the Illinois JCI Senate Executive Committee for approval through a majority vote.

6. A limit of two (2) such JCI Senatorships may be awarded during any administrative year.

7. The cost of the application may be funded by the following examples:

Region Jaycee Contributions

Spouse of Nominee

Illinois Senate Friends

Illinois JCI Senate Funds

8. The Illinois JCI Senate shall maintain a separate restricted fund with a maximum of \$5000 for the financial support of JCI Senate applications. During any business year monies may be added to the fund through fundraisers held specifically to benefit the fund and/or individual or organizational donations made specifically to the fund. Any money transferred from any other Illinois JCI restricted fund must follow the By-Laws and/or Policy rules in effect at the time.

We have all given years to the Jaycee organization and probably know of at least one person who worked alongside us in many projects and programs that is deserving of recognition of a Senatorship and has been overlooked. We encourage you to take the time between now and March 1 to complete an application form for a deserving individual. You will find the form on the Illinois JCI Senate website. Please complete and send to me at [snoopy59999@comcast.net](mailto:snoopy59999@comcast.net) so we as the committee can make our recommendation to President Lynn and the Executive Board for their approval. We are requesting that you not wait until the last minute for your submissions. We want to see that these deserving individuals are recognized as soon as possible so that they can be a part of "Destination Friendship".

Should you have any questions please feel free to contact me or any other member of the committee for assistance. We look forward to your submissions.

Stephanie Pittenger

Chairperson
